Goal 8 – Sustainability Training

“Key stakeholder groups are trained, compliant, and motivated toward sustainability principles”

Today’s Agenda:

- Updates on Awareness and Competency Training
- Open discussions on sustainability training

Awareness Training Update

- Since January 2006, given to 1,400 Soldiers and 210 civilians
- Available on the SEMS website, on CD from DECAM, and through classroom training
- Expanded SEMS training given to all EPOs
- Community events, both on and off post

NOW T-team is launching the next phase of training – COMPETENCE TRAINING

Competence Training

Objectives:

- To review SEMS Awareness training topics in depth
- To understand and apply SEMS compliance and performance details on the job
- To learn sustainability techniques/ tools for improving operational efficiencies
- To acquire proficiency in sustainability procurement
- To develop sustainability leadership and training techniques

Competence Training

Content:

- Lecture, PowerPoint, interactive and internet exercises
- Christopher Juniper, primary trainer with up to 5 topic related experts
- 1 to 1 and ½ days in length

Competence Training Schedule

Day One - full day

- SEMS overview and legal requirements
- SEMS Performance – Why and How to:

  - Save Facility Energy, Save Vehicle Energy, Save Water, Reduce Toxicity, and more…
- Sustainable technologies on display – interactive use
- Mentoring – Applying sustainability to job
- Tools for Success – interactive internet exercises
- Sustainability Leadership

Day Two - 2 hours

- Train the Trainer Workshop

Competency Training

Who:

- Military unit operations, logistics, and maintenance officers and non-commissioned officers
- Mid level supervisors of enduring contracts on Fort Carson (base operations, logistics, etc)
- Mid-level Supervisors of partners on Fort Carson (Housing contractor, Army & Air Force Exchange Services, Commissary Agency)
- Medical and Dental deputy commanders and senior supervisors.
- Fort Carson Garrison Directorate Deputy Commanders and Division Chiefs
- Other personnel at leader’s discretion.

Competency Training

When:

- All personnel requiring training must do so by 1 December 2006 as directed in a memo signed by COL Davis 06MAY06
- 43rd Area Support Group has training scheduled for the 59th Quartermaster Company (100 soldiers) 6-7SEP

Garrison Commander's Sustainability Breakfast

Purpose:
